

Dr. Dave Blackman of Carol Stream, IL, finishes an All on Six with Jade Dental Lab. Below Dr. Martin Kolinski, of St. Charles, IL, who has performed hundreds of surgeries, places six implants on the upper arch. Nobel Biocare Replace CC implants were used with Multi-Unit abutments. The Patient was very pleased and happy with the results.

Dr. Brian Penniall of St. Charles, IL, has another satisfied patient who just received his lower All on Five temporary profile bridge. The bridge was made by Jade Dental Lab. The surgery was done by the fine Dr. Tricia Crosby. An excellent implant surgeon who placed five Nobel Replace CC implant with Multi-Unit abutments. Another excellent result!

Above Dr. Martin Kolinski of St. Charles, IL, does his expert implant surgery on a Temporary Profile bridge. The result was 100%.

Above Dr. Tricia Crosby of St. Charles, IL, performs expert surgery to place implants for a lower Temporary Profile bridge. 100% result!
